As a system, I want to automatically grade quizzes so that results are instant. 5 not started

3 Epic Quiz Attempt

Feature Timer Management

User Story As a student, I want a timer so that I know how much ...

Task Implement countdown timer (frontend)

Task Sync time with server

Task Auto-submit when time ends

Task Handle page refresh recovery

5 Epic User Management

Feature User Login & Authentication

User Story As a registered user, I want to log in securely so that I ...

Task Design login page

Task Implement authentication logic

Task Generate JWT/session tokens

Task Handle invalid login attempts

Task Implement logout functionality

Task Add "Forgot Password" feature

Task Write authentication tests

4 Epic Quiz Management

Feature Add/Edit/Delete Questions

User Story As an admin, I want to add and manage questions so ...

Task Create question model

Task Support question types (MCQ, True/False)

Task Add options and correct answers

Task Implement edit & delete functionality

Task Link questions to quizzes

Task Write CRUD tests
